Subject: Fashion District BID - 2016 Year Assessment Database Submittal

Hi Dennis

Attached is the 2016 Year Assessment Database.

On 5/21/2015 the BID Board approved to increase the 2016 BID Assessments by 4% (attached are the supporting minutes).

On 5/12/2015 the North Alley and South Alley Overlays Property Owners met and approved the following changes to their 2016 Overlay Assessments (attached is a memorandum):

North Alley: increase by \$39,299 or 16.98%

South Alley: increase by \$71,077 or 33.30%

We also made these other 2 changes:

APN 5139-014-015 deleted its total 30,203 assessed building square footage since the parcel is currently under new ground-up construction

APN 5145-015-002 added 4,400 of assessed building square footage since new ground-up construction is complete

Please reply to confirm receipt of this submittal.

Thank you
